OTHER SHOPPING CART OPTIONS

[Forward Your Shopping Cart as a Quote](#)

 [Process Your Shopping Cart as a Quote](#)

This option will process your order as a quote and send it to the appropriate office. A sales representative will contact you to convert this to an order. To convert an existing quote, please call our sales staff at any time.

 [Save Your Shopping Cart](#)

This option allows you to save the contents of your shopping cart for future reference. To use this feature, a Thorlabs.com web account is required ([click here](#) if you do not have an account).

 [Export Cart](#)

This option allows you to export the contents of your shopping cart to a spreadsheet file.

 [Forward Your Shopping Cart](#)

This option allows you to forward the contents of your shopping cart to another person. Upon choosing this option, the contents of your shopping cart will be temporarily stored, and an electronic message with a retrieval link will be sent to the recipient specified, thereby enabling him or her to view the cart.

NOTE: This will remove the items from your Shopping Cart.

 [Upload a Cart](#)

You can upload a list of parts in a .txt file to automatically add them to your shopping cart. The .txt file must be in a tab-delimited format consisting of a Thorlabs part number and a quantity only. For instructions on how to save your file in the proper format, please [click here](#).

 [Add Parts From Your Saved Carts](#)

Select your cart name from the dropdown list and click "Add Parts from Saved Cart". To view items listed in your Saved Carts, [click here](#).
